Details of Photography Packages:

For all prints and albums, you will get to choose the images you want; you must have your selections to the photographer no later than 3 months after you receive your disc of images or proof set. It can take up to four weeks before you will receive your DVD of high resolution images and about 6-8 weeks (after you make your selections) to receive your album or proof books. All images will be copyrighted under Stellar Photography with limited copyright release for you; meaning that you may reproduce the images for your personal use, but you may not in any way use it for financial gain or public recognition. These images will be given to you on a DVD; if you do not have capabilities to view the images on your computer with a DVD please let us know and we can substitute a set of CD's. All packages include extensive post production of all images; including color correction, aesthetic black and white conversions, touch ups and cropping.
